Financial regulations must be observed in conjunction with the council's standing orders and any individual financial regulations relating to contracts.
- 1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.

- 1.6. Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.
- 1.7. Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.
- 1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council. The Clerk has been appointed as RFO for this council and these regulations will apply accordingly.
- 1.9. The RFO;

- maintains the accounting records of the council up to date in accordance with proper practices;
 - assists the council to secure economy, efficiency and effectiveness in the use of its resources; and
 - produces financial management information as required by the council.
- 1.10. The accounting records determined by the RFO shall be sufficient to show and explain the council's transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the council from time to time comply with the Accounts and Audit Regulations.
- 1.11. The accounting records determined by the RFO shall in particular contain:
- entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
 - a record of the assets and liabilities of the council; and
 - wherever relevant, a record of the council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.
- 1.12. The accounting control systems determined by the RFO shall include:
- procedures to ensure that the financial transactions of the council are recorded as soon as reasonably practicable and as accurately and reasonably as possible;
 - procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct any lost records;

1.16. In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners' Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).
